Notification reference : 1000047164

Sir,

We are pleased to confirm that following a quality reassessment performed by Supplier Quality Management (SQM), **Aero Instruments & Avionics Inc.** has maintained approval for Supplier Classification E – In Service.

This approval is granted in the condition that your company continues to comply with the quality requirements stated in QD4.6-40; Requirements for Suppliers

Bombardier SQM may elect to audit your facility at any time in order to:

- Assure continuing compliance with contractual and quality requirements
- Investigate any quality issues and assure effective correction action measures are implemented
- Evaluate the effect of any change in facility, process, equipment or management.

Your approval status will be periodically reviewed and/or revised based on supplier performance. It is Bombardier's policy to purchase only from approved suppliers who consistently meet our requirements of quality and reliability.

Sincerely yours,

Jean Boisvert
